

EXECUTIVE BIO:

**JACK WISHNA, CSP, CPC  
President & Chief Executive Officer  
THTVEGAS, INC.**

Jack Wishna is Chief Executive Officer and President of THTVEGAS, Inc, and a member of THTVEGAS board of directors. As a founder of THTVEGAS, a consulting and marketing company dedicated exclusively to the Trump International Hotel & Tower Las Vegas condominium project, Jack Wishna is responsible for directing the company via innovative sales and marketing programs and creative business planning and management. Jack Wishna is widely recognized as a leading entrepreneur and ‘dealmaker’ having been profiled in many major publications and was named Las Vegas Biggest Dealmaker by “VEGAS” Magazine in 2007.

As Founder and President of CPAmerica, Inc, a consulting company specializing in the Gaming, Leisure and Hospitality industries, Jack Wishna has created opportunities for Boyd Gaming, Caesars Entertainment, Harrods of London, Michael Flatley, Britney Spears, Michael Jackson, Wayne Newton, Phil Ruffin and Donald Trump. Wishna created the deal to bring Donald Trump to Las Vegas to construct the highly successful \$2.5 billion dollar Trump International Hotel & Tower project.

Jack Wishna, with a passion for the Trump International Hotel & Tower Las Vegas project that he helped create, saw an additional opportunity and began marketing these super luxury apartments to his friends, business associates, celebrities, business tycoons, and numerous NFL players and has single handedly sold more units in the Trump International Hotel & Tower Las Vegas project than any other individual in the world. Wishna created THTVEGAS.COM as an independent consulting and marketing group dedicated exclusively to the continued success of the Trump International Hotel and Tower project.

Prior to his positions at THTVEGAS, Inc, and CPAmerica, Wishna founded and managed entrepreneurial companies in the arts, consulting, executive search, and mergers / acquisitions fields.
